WHO ARE WE?

Talbot Figure Skating Team is a recreational figure skating club for skaters of all ages. Our home rink is housed in Easton, MD but our members come from all over the Eastern shore including Caroline, Talbot, Kent, and Queen Anne's counties. Our team participates in activities throughout the year and skates on Talbot ice from September through March.

The Talbot Figure Skating Club is a group of parent volunteers. We encourage you to join in and help & no experience is required!

TFST is dedicated to the emotional and physical growth of its skaters and the morale of the community in which they live; continually empowering skaters to be champions on and off of the ice. We emphasize family fun and fitness through figure skating by creating a positive environment where skaters can thrive and excel!

**We look forward
to having you join us
this season!**
