

INSPIRED

“Kids Helping Kids”

JUST THE FACTS

- Our program is all about helping those within our own community.
- The project sponsored by **Signature Photography** benefits the **MUSC Children’s Hospital Fund**.
- Registration is by donation to the MUSC Children’s Hospital Fund. This program is for children who are between the ages of 1 and 15 at the time of their session. A \$65 donation is required for one child to participate and \$95 is required for two or more children in the same immediate family (same family/same household).
- The *Inspired Registration Form* is also available as a pdf on this site. You can either type in your information on this form and email it to us or print and fill it out and send it to us with your donation.
- Your \$65 or \$95 donation check should be made out to the “MUSC Children’s Hospital Fund” and forwarded or presented to Signature Photography along with your completed registration form. Upon receipt of these, we will schedule your complimentary photo shoot (\$195 value) for your child(ren), ages 1-15. We donate the photo shoot to you on behalf of the charity. We will also forward your donation on your behalf to the MUSC Children’s Hospital Fund.
- Photography sessions will be held between June 2nd and September 31st at the studios of Signature Photography (320 East Bay Street, Suite C, Charleston SC 29401) and at any of the following locations you choose from:
 - Hampton Park
 - Charleston Historic Area
 - The Battery
 - Charleston Waterfront Park
 - Daniel Island
 - College of Charleston Cistern
 - Mount Pleasant Waterfront Park
 - And as previously mentioned our Studio
- The project has a 200 child/family limit which will be observed. This allows us to guarantee one page per child/family (allowing us to feature brothers and sisters on the same page). The book will be published and available between early and mid December.
- Only photographs by the creative team at Signature Photography are eligible for inclusion in the book and all registrants photographed by us will be included in the art book. Each child is photographed individually only.
- “Inspired” will be a collection of individual images that portray the individual character and personality of the children photographed, “we want to capture ‘Kids being Kids’ to benefit other kids!”
- There is no requirement to purchase additional photographs; however some terrific portrait packages will

be available exclusively to participants (well below our regular studio prices). You will be given an opportunity to view the images that we take of your child(ren) and to purchase framed art or any individual prints that you may want for yourself, family or friends. Visit our website www.SignaturePhotography.biz for more information about our photography.

- The 2010 inaugural edition of “Inspired” and follow up 2011 edition as well as following years were all huge successes. We already have a list of names waiting to sign up for participation in this year’s program. To ensure that your child(ren) will appear in this year’s limited edition please contact us as soon as possible to reserve your spot. Remember the maximum number of families is 200.
- There will be a Collector’s Edition Limited production run. Although we do not know the exact price of the book at this time, we anticipate that the cost for the book will be around \$100. It will be a hardbound art book with the children of all participating families in it. You will be able to reserve as many copies as your wish of this book in advance. Books will be available up through production or as long as the supply lasts. We will give you more information about this at a later date. If you wish to see copies of the previous year’s books or some of our photography just stop by our studio at 320 East Bay Street in downtown Charleston. You can view our photography at: www.SignaturePhotography.biz.
- Join our family now and don’t hesitate to contact us if you have any questions about our “Inspired” book of “Kids Helping Kids”.
