...is an authentic Pub and represents proud Irish traditions. Nearly all physical components of The Still, including the bar, tables and bric-a-brac, were hand crafted in Ireland, from Dublin to Cork and shipped to the United States for on-site assembly. An Poitín Stil, literally means a moonshine, bootleg or unlawful still, offers more than just great drink and food. It is a reflection of the time when such illegal stills flourished on the Emerald Isle and is depicted in our décor and the ambiance of the Pub.

A true Irish pub is distinguished by it's 'craic', a Gaelic term for friendly interaction among people sharing conversation, libation, food, stories and music.

Every aspect of An Poitín Stil tells a story of Ireland's colorful culture from the historic murals on the walls and ceilings to an array of Irish antiques scattered throughout the Pub portion of the bar.

The heart of any Irish Pub is the bar! With our distinctive draft beers, delivered through a state-of-the-art system, driven by a unique mix of nitrogen and carbon dioxide gas. The bar is amply stocked with an assortment of bottled beers, varietal wines by the glass and a complete selection of spirits.

An Poitín Stil is extremely proud of our chef and our menu. Featuring a variety of choices, including traditional Irish fare and a complete selection of appetizers, salads, sandwiches and entrees.

An Poitín Stil is committed to the Celtic spirit and embrace its wonderful heritage. Our training focuses on product knowledge and exceptional service as we strive to be the best traditional Irish pub in County Baltimore.

We sincerely hope you will visit our Pub again!
