## ARTIST STATEMENT

*“There are moments when color stays with us—not simply because of what we see, but because of what we feel.*

*Many of these paintings come from places I’ve stood, walked, or remembered... and moments I didn’t want to forget.*

*My hope is that somewhere in this collection, you’ll find a piece that reflects something meaningful in your own life.”*

# How to Choose the Right Painting

*As you look through these works, notice which painting makes you stop. The right piece usually speaks before it explains itself.*
